

The University of New South Wales

Mid-Session Test
COMP3331/9331 Computer Networks and Applications

Group 1 (may change to Group 5)

Semester 2/2018

Date: 29th August 2018
Time Allowed: 50 minutes

Instructions

- 1) This is a closed book examination. No material other than UNSW-approved calculators are allowed in this examination. Normal university examination rules apply.
- 2) This booklet contains 25 **Multiple Choice Questions (MCQs)**. Negative marking will be enforced. 1 mark for a correct answer, -0.25 mark for an incorrect answer, 0 mark for an un-attempted question. If your total is negative, your marks will be upgraded to zero.
match with your Group No
- 3) Please fill in your name and student ID number clearly on this booklet and the answer sheet provided. **Put your group number (1) in 'other data' field of the answer sheet**. All documents must be returned by the end of the examination session.
- 4) For each question, write your answer by shading the letter (e.g., A, B, C or D) completely using a black **2B pencil** on the answer sheet provided. There is one correct answer for each question. If you mark more than one answer, you will get -0.25 mark.
- 5) Exam invigilator may not answer ANY question. Any issues may be raised with the LiC, but only AFTER the exam.
- 6) This booklet contains **6** pages including this page.
